Student Name: _____

School Issued Student ID: N/A

Program Name: Assisted Living Technician Certificate Program with Clinical Externship

Program Type: Certificate

Program Duration: 6 Months

Scheduled Start Date: _____

Estimated Completion Date: _____

Course Delivery Format Online

Program Overview:

This comprehensive program prepares students for a position as an Assisted Living Technician. Emphasis is on providing care to clients living in retirement communities or senior housing complexes where full-time care may not be required, but an understanding and professional staff is necessary to be there for them when needed. Seniors in these communities may require various levels and types of assistance depending on their specific situation, needs and wants. Assisted Living Technicians are compassionate, caring and skilled healthcare professionals that provide this assistance or care for the peace of mind of both the senior population in their charge and the families who wish to see their loved ones continue to thrive in their later years. This program will ensure students are prepared to provide a variety of essential services for their clients with the compassion, sensitivity and understanding necessary to provide care when needed and independence when not. Beyond the medical training provided, this course will ensure students have full understanding of the assisted living environment.

Certification/Licensure Eligibility upon Program Completion:

Students should have or be pursuing a high school diploma or GED.

- There are no state approval and/or state requirements associated with this program.
- There are several National Certification exams that are available to students who successfully complete this program:
 - o National Healthcareer Association (NHA) Certified Clinical Medical Assistant (CCMA) Exam
 - o Microsoft Office Specialist (MOS) Certification Exam.

Tuition Cost:

\$3,950
