Program Overview:

The Research Specialist Program takes students through the fundamentals of qualitative research from gathering data, developing surveys, and recording sources properly to thinking critically about your findings and challenging yourself to draw unexpected conclusions from your efforts. More often, the challenge to research is synthesizing your discoveries into written form – turning a collection of notes into a final expression or argument. This program will show students how to get from start to finish on a research project through proven strategies alongside emerging trends in internet and digital research.

Certification/Licensure Eligibility upon Program Completion:

Students should have or be pursuing a high school diploma or GED.
• There are no state approval and/or state requirements associated with this program.
• There is a National Certification exam available to students who successfully complete this program:
  - Microsoft Office Specialist (MOS) Certification Exam.
