Student Information:

Student Name: _____

School Issued Student ID: N/A

Program Name: Life Sciences Specialists Certificate Program with Externship

Program Type: Certificate

Program Duration: 6 Months

Scheduled Start Date: _____

Estimated Completion Date: _____

Course Delivery Format Online

Program Overview:

Students completing this program will gain a fundamental understanding of the biological principles and the properties of life, considering the structure and function of plants and animals, their relationship to various organisms, to each other and the environment they inhabit. Taking an in-depth look at cell biology principles, reproduction, development and growth, students will begin to understand the mechanics of evolution, inheritance and genetics. Students will learn the various ways for classifying different organisms, animals, and plants, as well as the human body, the characteristics and distinctions between them as well as the way in which all of these organisms contribute to the overall environment. This program also provides an overview of the anatomical structures and physiology of the human body. In addition, the program discusses selected major pathologies, including disease definitions and causes, signs and symptoms, diagnostic procedures, and possible treatments.

Certification/Licensure Eligibility upon Program Completion:

Students should have or be pursuing a high school diploma or GED.

- There are no state approval and/or state requirements associated with this program.
- There is a National Certification exam available to students who successfully complete this program:
 - Microsoft Office Specialist (MOS) Certification Exam.

Tuition Cost:

\$3,999
