Program Overview:

The Writing Professional program develops written communication skills with an emphasis on understanding the writing process, analyzing readings, and practicing writing for personal and professional applications. Students will have the opportunity to really break down the writing process and see how it is useful in constructing and finally writing their own work. Students will discover various styles and sentence structures that can alter the meaning and impact of their writing and ensure they have the tools necessary to convey the meaning they intend, communicate their thoughts effectively and clearly and ensure their writing is presented professionally in terms of grammar, spelling and other issues that can otherwise inhibit successful writing. Students will learn the various techniques appropriate to different writing purposes as well as the different tones and styles applicable to particular contexts (professional, academic, clinical, etc.)
